

Product: **SlashPRO™ Slash Resistant UBAC Shirt**

Model #: **100115**

SlashPRO™ Slash Resistant UBAC Shirts are manufactured using Cut-Tex® PRO - offering absolutely outstanding, tested and certified levels of cut, abrasion and tear resistance - providing an effective shield and protects areas often unguarded by common body armour e.g. key arteries from laceration and subsequent rapid blood loss.

Features & Benefits

- Offering comfortable yet effective cut protection to the radial artery, brachial artery, carotid artery and axillary artery whilst wearing body armour. Laceration of either of these arteries can lead to rapid blood loss and potential death.
- Two upper arm pockets (for small notepad and pens) with Velcro for rank patches, blood patches or other attachments
- Machine washable
- Thumb loops to keep sleeves in place
- 100% Latex free

Who Is This Product Suitable For?

Professionals working within these sectors:

- Law Enforcement
- Military
- Corrections / Prison Service
- Immigration
- Customs
- Border Control
- Private Security & Military Contractors
- Civil Enforcement

Material Content

100% Cut-Tex® PRO
